Laksamana Restores Princess Umba, Lakeamana, after the overthrow of the wild man, immediately turned his attention to the suffering Princess. She lay quite still, and apparently dead. Excitement and fear had para- warships of their countries now in port. lyzed her senses for the time. The hero stooped over the hapless girl; he raised up her head, and though she was dreadfully emaciated and disgured with sores and filth, yet her kissed her | Several British transports are also here, enderly as she was-well or ill, bright or foul- and are embarking troops in view of posthe only love of his heart. He poured a little sible contingencies in Egypt. more water from his gourd canteen into her mouth, and gradually revived her a little. He mouth, and gradually revived her a little. He sion appointed to inquire into the re-soothed and caressed the sufferer, and urged her cent native outbreak has commenced its to rouse up so that he could bear her away with him, and descend the tree. But she groaned and moaned, and prayed that he should let her die there at once. Laksamana paid no heed to her wail. He raised her up in his arms, and by assisting her weak, suffering body, after some effort, he succeeded in getting her placed on his adequacy of the acommodation provided by back, with her body bound to his body by a band | the vessels now in port, all the European made out of the rags of her clothing, which was | States are sending ships here to embark | passed under her arms and across her chest, and | their subjects. ound in a firm knot. Now the hero tenderly | CATRO, June 17.—The paule among the coaxed his lover to hold on with her weak arms around his neck. Pons equipped, and with his banks and shops in this city have been dying, meaning bride upon his back, he stepped | closed. Great alarm is manifested at the out of the harrible nest and descended the great | hostile demeanor of the native population, tree, from limb to limb; and when he reached the clear trunk he grasped its rough bark with andria is taking place. his powerful hands and with his fingers, nipped and held on as with a vice of iron, and with his a conference of A a bassadors of the Powers strong toes firmly set in the interstices of the has been summoned to meet at Stamboul to bark, he descended with ease and safety, and stood on firm ground with his rescued lover on his back. He picked up the dagger, that had been knocked out of his hand,—glanced a moment at the carcase of the dead Kubu; and then hurried away in quest of a shelter of trees, near by some stream or lountain of water, which were plentiful in that forest.

the trunk of a huge tree, more than six feet in diameter. It was a den that had been used by some wild beast. And there was a little rippling brook of water near by. He gathered quickly a quantity of dry moss from the trunks of old trees, and with some dry grass, he made a couch in the den, upon which he lay down his suffering lover. But before he did this, he went to the rivulet of water, and with a gentle hand, like a tender mother, he cleansed the body of the sick and helpless Princess. This he did with a mother's tenderness and care for the suffering Princess was apparently in a dying way. Then be collected a quantity of long silky blades of the Estate of George D. Sylva of Lahaina, Mani, decreased.

Therefore, all persons indebted to said Estate are hereby natified to mak-prompt payment to us, or either o'us, and all persons to whom the deceased was indebted are notified to send in their bills, duly attested, within the time specified by scant, rough covering for her person; and be to calm. partially covered her body with the soft silky grass, so that she could repose, with some protection against the chilly night air, that was now cable, and the telegraph ship Chiltern has

After a little search he found a large hollow in

Before darkness had fully set in, Laksamana cable is cut on shore, had collected fuel, and made a fire near the NOTICE IS HEREBY GIVEN THAT entrance to the den; and then he quickly gathered some roots he knew, that were nourishing; and he persuaded the suffering girl to eat a little, and to drink a little water; and after a ecord in the office of the Registrar of Conveyances in Liber while when she eaten a duku fruit, she became greatly refreshed and revived.

The duku of Sumatra is a fruit about the size of a water lemon, or (likikoi). It has a very thin rind or skin, which encloses a nice flavored pulp .- that is so soft that it flows like water owing to the probable flight of his employes. into the mouth; and it is said to be a good cure | The engineer at Atfh, the junction of the for all kinds of fever. It would be a great blessing to have such a fruit in Hawaii. After Umbra had eaten of the duku, she

began to talk a little, and tell Laksamana of the peril the w-ter sopply of the city. dreadful experience she had passed through. He had felt a great anguish not only on account of barked on board the United States steamer her body; but chiefly because he dreaded that the horrid wild man had abused his poor love in abominable ways. He said something that had disclosed to Umbra the chief source of his anguish. She roused up a little, and spoke more British and French squadrons at Alexandria animated when she understood what he meant, and said-" O, Laksamana, the wild man, dragged me about, and worried and burt me like a beast, but he never abused me as a man. I lay helpless and moaning all the time when in his power, like one dying. He only sought to give | Posha from Coiro for the purpose of forming me food, when he had placed me in his nest, but I continued to lie prostrate, and wanted to die, and he never touched me in the way you fear.' Now Laksamana was comforted. He knew tra, who had often seized and carried off a civilized Malay woman into the depths of the forest; and they had never had been known to ravish a woman with violence. Therefore Laksamana felt assured that, though his beloved Princess had

been dreadfully abused, and her body was covered with sores on account of it having been dragged sick, suffering head upon his broad and mighty

LONDON, June 11.-Intelligence just re-

seived from Egypt states that a serious ris-

ing has taken place to-day amongst the

native inhabitants of Alexandria, whose

hostility to the foreign residents of the city

has frequently been manifested of late.

The natives assembled in large numbers,

and proceeded to the European quarter,

where they suddenly and violently attacked

the Europeans, who were unable to offer

any defence. The mob then went to the

British Consulate, where they attacked the

inmates. Before the Consul, Mr. C. A

Cookson, could effect his escape, he was

dangerously wounded. Several other Eu-

ropeans were killed and wounded, amongst
